MAINE DEPARTMENT OF HEALTH AND WELFARE
DIVISION OF
PUBLIC HEALTH NURSING
BUREAU OF HEALTH

Annual Report of Public Health Nursing Services in
Newburgh for the Year 1965

Although Public Health is thought of as Community Health, we have to consider that each person dealt with is an individual. Therefore, definite programs may be introduced to a community but family problems are worked out according to the individual's physical, emotional, and economic needs.

The public health nurse maintains a program of education and guidance by teaching health rules, by preventing disease and deformity, and by lessening human suffering.

A statistical summary of the health services given in your town this past year is shown in the following tables:

SCHOOL HEALTH PROGRAM

Number of Children Immunized:

| | |
|--------------------|-----|
| Diphtheria Tetanus | 24 |
| Smallpox | 14 |
| Tuberculin Tests | 28 |
| Audiometer Tests | 107 |

CHILD HEALTH CONFERENCE PROGRAM

| | |
|---------------------------------------|----|
| Attendance | 55 |
| Number Children Examined by Physician | 29 |
| Smallpox | 11 |

Number Immunized:

| | |
|-------------------------------------|----|
| Diphtheria, Whooping Cough, Tetanus | 19 |
| Poliomyelitis | 13 |

There are many services given by your Public health nurse that are not shown in the above statistical tabulation. These services include health guidance through home visits to individuals and families in their homes and in the schools. Restorative nursing services are also given by your public health nurse to those needing care in their homes under the direction of the family physician.

The clinic services of the Department of Health and Welfare are available to citizens of Newburgh when referred by their family physician. These clinics are listed as follows: Cardiac, Orthopedic, Pediatric, Hard of Hearing, Cystic Fibrosis, and the Clinic for Mentally Retarded Pre-school Children.

Your public health nurse wishes to thank everyone who has assisted with the various health programs this year.

Respectfully submitted,

GEORGINA J. PATTERSON

SUMMARY OF NEW FORESTRY LAWS

To inhabitants of town of Newburgh:

Your attention is called to new and revised laws enacted by the 102nd Legislature.

Due to limited space only those that will affect most of you are being summarized at this time. The Title, Chapter and Section numbers are being given but exact wording has been substituted by a general meaning of these laws.

Title 12, Chapter 215, Sub-Chapter 5, Section 1355

This law states that any town allowing dumping to continue on town dumps closed by the State because they do not meet clearance regulations will lose the town's right to State reimbursement of $\frac{1}{2}$ the costs of control of any escape fire from this dump during time of closure. This is up to 1% of state's valuation of town.

Title 12, Chapter 215, Sub-Chapter 7, Section 1456-A.

This states *no equipment* for producing power shall be operated in or near woodlands *without approved spark arresters or mufflers*. This applies to chain saws, tractors, either manufactured or home-made, or other equipment.

Title 12, Chapter 215, Sub-Chapter 11, Section 1653.

Any person who willfully or negligently causes a fire which burns forest, brush, grass or other lands or who fails to take proper action to control a fire on his own land shall be *liable to the state or town for up to \$500.00* of the suppression costs.

Title 25, Chapter 317, Section 2436-A.

This sets up control of debris burning when the *ground is not covered with snow*. Debris may be burned out of doors only between the hours of 5:00 PM and 12:00 midnight unless you have an approved incinerator or a special burning permit from your Town Warden or Fire Chief. Incinerator approval may be obtained from your Town Forest Fire Warden. To meet approval incinerators must be tight containers with 1" holes for draft not more than a foot from bottom of container. Top must be tightly covered while burning with mesh or equivalent with holes $\frac{1}{2}$ " or smaller. Incinerator is to be set in center of circle 10 ft. in diameter cleared to mineral soil. Pressurized cans shall not be burned and fire shall not be left unattended.

NOTE: This law applies only to debris burning. Permits for burning slash, brush, blueberry land or fields or dry grass must be obtained for any time of day.

Questions on these laws may be answered by your Town Forest Fire Warden, Fire Chief or at the nearest Forest Ranger Station.

Suggestion: Haul, or have hauled, debris to Town Dump. *Old automobiles and animal refuse exempted.*

Slash Defined: Slash is defined as branches, bark, tops, chunks, cull logs, uprooted stumps and broken or uprooted trees and shrubs left on ground as a result of logging, right of way construction or maintenance and land clearance.

Debris is any manufactured product, household rubbish, hay or other vegetative accumulations or materials not included under slash.

AUDITOR'S REPORT

February 1, 1966

Board of Selectmen,
Newburgh, Maine

Gentlemen:

In accordance with Chapter 247, Revised Statutes of 1964, an audit has been conducted of the financial records of the Town of Newburgh for the fiscal year ended February 15, 1965.

The examination was made in accordance with generally accepted auditing standards that pertain to governmental accounting.

Audit analysis was on a basis consistent with that of the preceding year and included such tests of the accounting records and other auditing procedures as were considered necessary in the circumstances.

The financial and statistical sections incorporated in this report present the results of the Town's financial operations for the period indicated.

Very truly yours,

A. P. STEWART

APS/as

COMMENTS

An audit has been completed of the financial records maintained by the officials of the Town of Newburgh for the fiscal year ended February 15, 1965.

ASSETS

The cash balance at the end of the year was reconciled with the statement furnished by the Merchant's National Bank as of February 15, 1965. Transactions affecting taxes receivable, tax liens and tax acquired property were reviewed and unpaid individual accounts at the end of the year were checked and reconciled with the balances appearing in the ledger. Accounts receivable were examined and appeared to be stated correctly.

LIABILITIES

The liabilities consisted of payroll deductions for the first quarter which were not yet due at the closing date.

RESERVES AND SURPLUS

Net unexpended balances amounting to \$3,975.46 were carried forward in the appropriation accounts.

At the close of the year, the Town had an unappropriated surplus of \$19,049.43 as compared with \$16,687.43 at the close of the preceding year. The increase was due to the gain in the departmental accounts for the year.

GENERAL

The 1964 commitment of taxes to the Collector was examined and reconciled with the assessment. Excise tax collections were verified with the copies of the receipts retained by the Collector.

All funds recorded as received had been deposited in the bank by the Treasurer and all disbursements had been made by check on authority of warrants drawn by the Selectmen. Vouchers and payrolls were examined to the extent deemed appropriate and appeared to be proper charges to the accounts involved.

The pass books representing the various trust fund deposits were examined. Interest had been brought up to date and that which had been expended was in accordance with the terms of the respective trusts.

It is believed that the accompanying balance sheet, together with related financial statements, fairly presents the financial position of the Town of Newburgh at February 15, 1965.
